**My Background**

I began my real estate career in 1998 in Asheville, NC as an office manager for Prudential Real Estate. After I received my real estate license in January of 1999, I continued working with Prudential Asheville Realty as a sales associate, specializing in not only land and acreage sales but also as a residential specialist. I was later promoted to the Relocation Department and assisted newcomers to that area in all aspects of relocating and most importantly, in finding their special home. My love of people and dedication to my profession granted me the position of top sales associate and top listing agent in the Prudential-Asheville office after only 8 months as an agent. In 2001, I moved back to my home in Palm Beach County Florida, where I continued my real estate career with Illustrated Properties. In the summer of 2003, I discovered Sebring, and my husband and I decided to purchase land as well as a home in Orange Blossom Estates. I love Highlands County and the opportunities in real estate sales and investment that it offers.

After interviewing with all the major real estate offices in Highlands County, I chose to work at **RE/MAX Realty PLUS**. I have consistently been in the top 1% of residential REALTORS for both listing and selling homes in our county and have been featured in *Florida REALTOR® Magazine*. I love our community and donate a portion of the proceeds of every sale I have to the Children's Miracle Network and the Humane Society of Highlands County. I would be honored to represent YOU in the purchase or sale of your home, because...
